SPECIAL TOYS EDUCATIONAL POSTAL SERVICE

SPONSORSHIP FORM

PLEASE HELP ME RAISE £…… FOR STEPS.

Steps is a registered charity and provides a toy and switch library membership for children with learning and physical disabilities. Established over 20 years, their experienced staff work closely with the parent or carer to learn about the child, enabling them to match a toy and personal external switch which maximises a child's abilities and potential development. The extensive toy library is funded by fundraising and donations, alongside sustainability plans for a membership scheme and a social enterprise which adapts toys on request. With the current financial climate, funding the service has become increasingly difficult and your fundraising support is very much appreciated to help us maintain and grow the service.

There are approx. 360,000 children in the UK who could benefit from this service
— please support Steps in their aims to offer the Library service to them all!
